## EXPECTATIONS FOR GRADUATION

**T**he Stadium is a familiar site for many of us for football, soccer, and other events.

On June 9th, Canby High School is hosting Graduation for the Class of 2017 in Cougar Stadium. We want this event to showcase our graduates; it is as much for parents and guardians as it is for the seniors.

This ceremony is a dignified event celebrated with pomp and circumstance and it needs to be honored as such.
